1. Transport Department, Government of West Bengal seeks expression of interest (EOI) from experienced and competent Non-schedule operators/Scheduled operators / Scheduled Charter Airline for induction and operation of air services using fixed wing Turbo-Prop twin engine aircraft with a minimum seating capacity of 7 – 9 passengers. Interested operators are requested to submit their proposal along with details of credentials, eligibility and previous experiences in operating air services.

2. The aircraft must be certified airworthy by DGCA and its interiors be new or refurbished in last three years.

3. It will be the sole responsibility of the operator to liaise and fulfill all regulatory formalities with BCAS/DGCA/State, local and other authorities pertaining to operation of flights. In case breach or non-compliance, the State Government will not be responsible to resolve regulatory matters and it shall be the sole responsibility of the Aircraft operator to resolve matters with the regulatory authorities. In case of non-compliance with Indian laws and regulations the contract will be cancelled with immediate effect.

4. The sectors of operations will be defined as per instructions and needs from the Government of West Bengal and can be amended from time to time and notified to the operator. Aircraft will be utilized as per guidelines from Transport Department, Government of West Bengal and will be communicated to the operator(s) from time to time. The minimum utilization (including retained waiting and guarantee related thereto) of Aircraft in a month will stand at 75 (seventy five) hours. The possible use of aircraft will be on airports like Coochbehar, Behala, Malda & Balurghat and aircraft should be capable of operating from/to/on these airports.

5. The operator apart from holding a proper NSOP/SOP/SCO license in its own name shall also ensure that the operations are conducted in a professional manner by deploying requisite staff at each location which will undertake the process of check in and ground handling of flights at each location.

6. In the event the deployed Fixed Wing Aircraft is grounded or is not serviceable for more than 72 (seventy two) hours, a replacement shall be provided by the operator at no additional cost to the Government.
7. The bidder should provide proof of undertaking charter operations in the last one year, detailing the number of hours of charters provided, the clients to which the charter was provided and the proof of data being submitted to DGCA. Details should include the aircraft registration used for the charter operations also.

8. Performance Guarantee: The successful bidder has to submit a performance guarantee of INR ten lakhs (10,00,000) at the time of signing the contract. In case of operator not being able to meet the requirements of the state government for operations of Aircraft due to any reason but force majeure, the Performance Guarantee will be forfeited and contract will be annulled.

9. The aircraft and crew as appointed to operate should be technically qualified to undertake night operations also. Both the pilots and Operating crew, if applicable, should meet the specifications of DGCA for Flying VIPs like Hon'ble Governor and Hon'ble Chief Minister.

10. For the purpose of this contract, the air transport services undertaken as part of this contract shall be considered as charter operations on hire by the Transport Department, Government of West Bengal. Under this charter contract, Transport Department, Government of West Bengal may further engage a management agency.

11. State Government also wants that when the aircraft is operating on a predefined route, the seats should be sold by the operator (or the management agency) to general public so that the services can be put to larger public use. Government will notify the operator where it intends to open this facility and also the indicative price to operator.

11.1 The operator may have to organize infrastructure to conduct sale of tickets through physical outlets and electronic platform (option of online ticketing along with payment gateway is a must) within 3 (three) months of signing of contract. Issuance of tickets shall be governed by the guidelines as laid down by the State Government. This infrastructure may include an online platform to sell tickets that also allow refund and rebooking as well as offer details about operations.

11.2 This has to be supported by physical infrastructure to sale and service tickets at airport with airport counters at the notified operating airports. It should be also supported by telephone call centre to facilitate information, sales and services for the passengers who want to avail such service.

11.3 The money collected by these services should be reported to the WBTIDC and should be included in the invoice raised so that this amount can be reduced (if so decided by the State Government) from the monthly billing.

12. Tenure of contract:

The contract shall be for a tenure of 5(Five) years. Based on response and expansion plans the tenure may be extended after mutual discussions. However, in case of any non-performance / lack of performance, Government of West Bengal reserves the right to cancel the contract with one (1) month’s notice without any further intimation. The decision of the Government of West Bengal will be final and binding in this regard.

13. Support from State Government:

All Airport related levies would be reimbursed on actual basis within 7 days of submitting the respective bills, by the State Government to the operator.

The State Government will extend lateral support at local Airports regarding Fire, Ambulance and Security services. The airports at Kolkata and Bagdogra the operator shall coordinate with the respective airports to avail the necessary services.
14. The response should include details on following –

(i) Earnest money equivalent to sum of Rs. 10,00,000.00 (Rupees ten lakh) only through online mode in favour of "West Bengal Transport Infrastructure Development Corporation Limited".

(ii) Details of the Aircraft (Aircraft model details, Year of manufacture, Total operated hours).

(iii) Details and documents regarding ownership of the Aircraft and NSOP certificate. If the aircraft is not owned by the bidder, in that case there would be an NOC from the owner of the aircraft attached along with an agreement to pay a penalty of upto 3 (three) months of invoice value at the rate specified by the bidder for per month of operations (assumed at 75 hours of utilization).

(iv) Technical details of Aircraft on seating configuration distinguishing crew and passenger seating capacity.

(v) Photographs of interiors and date of refurbishment within last 3 (three) years along with proof.

(vi) The utilisation time shall be calculated from chocks off to chocks on only.

Bid should be submitted in the prescribed format provided as per e-tender norms.

15. The cost is to be quoted excluding applicable GST.

16. The cost should not include Airport charges and taxes as same will be reimbursed on actual basis.

17. The bidder will have to submit the Technical Bids with all supporting papers and financial bid as per the format provided.

18. In the event of e-Filing intending bidder may download the tender document from the website directly by the help of his Digital Signature Certificate & submit with necessary earnest money through online. (Details of which has been narrated in “Instruction to Bidders” i.e. Section-A). Where an individual person holds a digital signature certificate in his own name duly issued to him against the company or the firm of which he happens to be a director or partner, such individual person shall, while uploading any tender for and on behalf of such company or firm, invariably upload a copy of registered power of attorney showing clear authorization in his favour, by the company or firm.

19. Necessary earnest money will be deposited by the bidder electronically: Online through net banking enabled bank account, maintained at any bank, or by generating NEFT / RTGS challan from the e-tender portal. Intending Bidder will get the Beneficiary details from e-tender portal with the help of Digital Signature Certificate.

Intending bidder who wants to transfer EMD through NEFT / RTGS must read the instruction of the challan generated from e-procurement site.

Bidders are also advised to submit EMD of their bid, at least 3 working days before the bid submission closing date as it requires time for processing of payment of EMD.

20. Technical Bid and Financial Bid both will be submitted concurrently duly digitally signed in the Website https://wbtenders.gov.in. Tender documents may be downloaded from website & submission of Technical Bid/Financial Bid as per the Date/Time Schedule stated in Sl. No. 22 of this NIT. The documents submitted by the bidders should be properly indexed & self attested with seal.

21. If the selected tenderer does not provide the service after selection, his deposited earnest money will stand be forfeited.
22. Date & Time Schedule:
